Course Overview

Adobe® Photoshop® CC: Part 1 focuses on some of the basic features of Photoshop so that the student can navigate the environment and use Photoshop tools to work with photographic images. In addition, the orientation to Adobe® Bridge and organization of files in Bridge is covered. Although Photoshop is used by a variety of professionals, from photographers to designers to videographers, Photoshop Part 1 will focus mainly on the photography component. The illustration and animation techniques are covered in subsequent levels of Photoshop. This course is a great component of your preparation for the Adobe Certified Professional (ACP) in Visual Design Using Adobe Photoshop exam.
