Course Information

Delivery Format: Instructor Led - Online

Course Overview

This is a 1 day course, part of the New Certification Program : Extreme Certified Professional Training Program

This course is aimed at individuals responsible for the management of the Extreme Networks family of ExtremeXOS/SwitchEngine switches.

About This Course

Students will learn methods to prepare their switching and routing environment for management with ExtremeCloud IQ, ExtremeCloud IQ - Site Engine or capable 3rd party management solutions.

Several network management tasks will be exercised.

This knowledge will be reinforced through actual hands-on experience with networking equipment in a lab environment, where students will perform real world tasks.
