Course Overview

If you are a recent college graduate or young professional looking to stand out in a competitive job market, then the CAPM certification is a great choice to not only learn the foundations of Project Management but to add a credential to your resume to validate your knowledge. The CAPM certification from Project Management Institute (PMI®) allows aspiring project managers and recent graduates to distinguish themselves in the job market. Our CAPM certification boot camp fully prepares candidates for the 150-question, multiple-choice CAPM exam and satisfies the educational requirement to sit for the exam. Unlike the PMP certification, there is no additional work experience required to sit for the CAPM exam. Note: This course has been approved by PMI for 23 PDUs
