Course Overview

The General Data Protection Regulation (GDPR) took effect in 2018. Are you in compliance? There's a lot to know, there's a lot at stake and there's a lot of opportunity for data protection professionals with the right training and education. Achieving a CIPP/E credential shows you have the comprehensive GDPR knowledge, perspective and understanding to ensure compliance and data protection success in Europe and to take advantage of the career opportunity this sweeping legislation represents. The Certified Information Privacy Manager (CIPM) credential provides the practical day-to-day information to lead an organisation's data protection programme. Adding the CIPM to your CIPP/E puts you at the forefront of ensuring you are ready for the GDPR.
